The General Assembly of World Mayors Council on Climate Change,
held on 17 June 2012 in Belo Horizonte, Brazil;

- *welcomes* the Statement “Action to face the urgent realities of climate change” by the Climate Change Task Force Action, convened by President Mikhail S. Gorbachev and supported by Green Cross International, as well as ICLEI World Congress Message to Rio together with relevant efforts of FNP and Mercociudades;
- *recalls* that the Global Cities Covenant on Climate Change – the Mexico City Pact, the Durban Adaptation Charter, carbonn Cities Climate Registry (cCCR) and Mayors Adaptation Forum are relevant initiatives led by the World Mayors Council on Climate Change and its members, for the purposes of the Statement;
- *proposes* GreenClimateCities Programme of ICLEI’s Low-Carbon City Agenda and Resilient Cities Congress - Global Forum on Urban Resilience and Adaptation, annually held in Bonn, Germany as contribution of local governments to strengthen implementation of the actions proposed in the Statement.

Adopted unanimously by acclamation.
